

DP-1500

Using the new 0.98 inch DLP Cinema® Chip from Texas Instruments, Barco introduces the DP-1500 – a little powerhouse designed for smaller venues, yet ideal for a host of new markets. For “satellite” theaters at large Cineplex facilities, business conference rooms, specialized “rental” cinema suites and screening rooms at a wide variety of production facilities, the DP-1500 offers Barco quality in an affordable and compact package.
